JULY 2026

CA Day

~~~~~

Seminar on Corporate  
Reporting and DPT-3

## **CHAIRMAN'S MESSAGE**

**CA. Daniel Marsh Pereira**  
**Chairman- ICAI Mangaluru**  
**Branch**

June marked the turn from audit season into return-filing season. If May was about scale, June was about range: cooperatives, ethics, MSMEs, data analytics and the new income-tax law, all within ten days.

On 20th June, CA Ramesh Prabhu led the Seminar on Navigating the Cooperative Landscape, covering amendments, audits, governance and income-tax perspectives. On 24th June, the Study Circle on the Code of Ethics and the Revised Minimum Scale of Fees brought members together in an open, interactive format to discuss the standards that underpin our credibility. Ethics is not a topic for one session a year; it is the foundation on which every engagement rests.

On 27th June, the Branch hosted the MSME Mahotsava, a dedicated platform for the enterprises that drive our regional economy. From 28th to 30th June, CA Rathinagiri S conducted a three-day Workshop on Power BI and Data Analytics, where participants worked hands-on at the computer lab. Technology is no longer an add-on to practice; it is fast becoming the practice itself.

On 29th June, the Seminar on the Income Tax Act was held under the Prarambh 2026 initiative along with the Income Tax Department, with officers of the Department sharing their perspective on the new law.

A Note for Our Students: June belonged to our students as much as to our members. SICASA hosted UD GAM 2026, the National Conference of CA Students, on 5th and 6th June, welcoming over 1,000 students from across the country to Mangaluru. Sessions ranged from AI in accounting and audit to startups, venture capital, mental wellness and emotional intelligence, and a Blood Donation Camp with the Indian Red Cross Society added a spirit of service. Coming just weeks after Adhigama, it made 2026 a year in which Mangaluru hosted two national conferences. My compliments to CA Gaurav Hegde and his team. Members and students also came together for International Yoga Day on 21st June, the Half-Day Seminar on Peak Detailing of ITR Season on 26th June, and the Tri-Strike sports tournament on 28th June. I warmly congratulate Shannel D'Souza, Second Runner-Up in Poetry at the regional round of the National Talent Search in Chennai and Best Paper Presenter at the students' conference in Ahmedabad.

Looking Ahead: July opens with CA Day on 1st July, celebrating the founding of our Institute in 1949, along with a Seminar on Corporate Reporting and DPT-3. I invite all members and students to join us as we celebrate the profession together.

CA Daniel Marsh Pereira

Chairman

Mangaluru Branch of SIRC of ICAI

Dear Members,

Warm greetings to all.

June marks the transition from the intensive audit season to another important phase of our professional calendar. While many members continue to be engaged in concluding audit assignments and post-audit compliances, attention is now gradually shifting towards income-tax return preparations. As regulatory expectations continue to evolve, our ability to combine technical expertise with technology-driven solutions remains essential in delivering value to clients.

As we move into July, we look forward to celebrating Chartered Accountants' Day on 1st July, commemorating the foundation of the Institute of Chartered Accountants of India in 1949. It is a fitting occasion to reflect on the profession's invaluable contribution to nation-building, economic development, and corporate governance. The month also brings renewed opportunities for learning, networking, and reaffirming our commitment to excellence and ethical practice.

On the economic front, India continues to demonstrate resilience amid global uncertainties.

The sporting arena has also provided much excitement. The Indian Premier League 2026 concluded successfully after another highly competitive season, showcasing exceptional talent and teamwork. The sporting arena concluded the month on a high note with the Royal Challengers Bengaluru (RCB) successfully defending their TATA IPL 2026 title by defeating the Gujarat Titans by five wickets in the final at Ahmedabad. The victory marked RCB's second consecutive IPL championship. As cricket enthusiasts now turn their attention to the international calendar in the coming months, these sporting achievements continue to inspire values of discipline, resilience, and excellence – qualities that are equally relevant to our profession.

As we approach another significant milestone with CA Day, let us take pride in our profession while continuing to uphold the highest standards of integrity, competence, and public trust. I wish all members continued success in their professional endeavours and look forward to your active participation in the Branch's upcoming programmes.

Warm regards,

CA. B. Krishnananda Pai
